

WHAT IF?

If the other wife
had a free day
what would she
do?

If the other
husband had
\$1,000 what
would he do
with it?

If the other wife
could suddenly
gain a skill, what
would it be?

If the other
couple could
travel
anywhere,
where would
they go?

If the other
husband could
invite anyone
over for dinner,
who would it
be?
